How Can I Become an Angel?

If you would like to adopt a student, please fill out the application form and return it to Cathedral Chapel School's office in person or by mail to the address listed.

On the form, you will be asked for your name, address, preferred phone number, and the level of support you choose to give.

Thank you for considering our program.
Your gift will make a Catholic school education possible for a child in need.

NON-DISCRIMINATION POLICY

The school admits students regardless of race, color, religion, national and/or ethnic origins to all rights, privileges, programs, and activities available to the students.

Why Invest In A Child?

Catholic Education provides an advantage for life:

- Programs in our school develop the whole person — spiritually, academically, socially, emotionally, and morally.
- Effective Catholic leadership is provided by the pastor, principal, faculty, and staff.

Other benefits at our school include:

- Academic Excellence
- Academic Decathlon
- Science Lab/Art Center
- Math Honors
- Outreach Concern Counseling Program
- Spanish Program for K-8th Grade
- Classroom Art & Music
- Extended Day Care
- Integrated Technology
- CYO Sports

Why Invest In A Child?

Adopt-A-Student directly impacts families and students at CCS who would otherwise find it difficult, if not impossible to afford a Catholic education. Your donation also allows CCS to provide a greater amount of financial support for all students through the maintenance of a reasonable tuition base.

We endeavor to accept all students regardless of financial need. Your contribution will supplement our Tuition Award Program, allowing more students at CCS to have the opportunity to take advantage of the high-quality, faith-based education offered at CCS.

“Three years ago my husband and I were looking for a new school for our son. We wanted a school that would challenge him academically, teach him the spiritual values we were taught as kids, had caring teachers, a safe environment, and a diverse population. CCS was a perfect fit, and we're so grateful we found CCS!”

How the Program Works

The student's family applies for assistance through the principal. Donors are allowed to give at any level. One hundred percent of the donor's gift goes toward student tuition, with no funds being used for administrative costs. All gifts go directly to the school.

Your generous gift this year can make the dream of Catholic education a reality for children in need. Whether it covers the cost of educating a child for a month, a semester, or a full year, your gift is an investment in the future and is priceless to the child who receives it. Consider asking your employer for Matching Funds.
