

2ND GRADE SUMMER READING 2023-2024

Dear 2nd Grade Parents,

The following is a list of reading assignments for your child.
Please make sure your child can read all the words.

Thank you,

Mrs. Valoroso

READING

You may purchase the following books, borrow them from your local library or read them online. Pick **3** books to read during the summer from the list below and complete **3** book reports. You can find the book report templates on my 2nd grade page on CCS website.

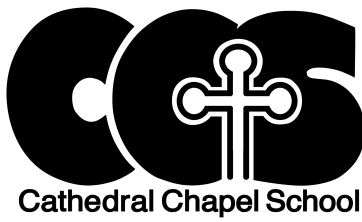

To demonstrate your child's comprehension of the three books your child reads he/she needs to turn in **3** written reports on the first day of school. You can download and use the book report formats provided on my web page online. There are four templates. You may choose any template to complete the book reports. Make more copies if needed. This must be legible and neat. Students must draw and color a picture to go with the book report on a separate sheet of paper. Some of the book reports already have a space to draw and color.
